Company Overview: Knight’s Armament Company was founded as a Research & Development facility more than 30 years ago. We have since evolved into a premier weapons manufacturer offering complete weapon systems, modular accessories and Knight Vision electro-optics. Knight’s is best known for our advanced developments in weapon designs and accessories, with R&D, manufacturing, assembly and testing all performed at our facility in Titusville, FL.

Parking Instructions for Knights Armament

The entrance is at the light for Sisson Road. Go in past the guard shack (no one is in it) and make your immediate left. Follow the road to the parking lot. If there is need for more parking, the grass is good to park in as well. There will be event signs on where to go for the event entrance.

Please wear closed toed comfortable shoes, as there is a lot of walking for the tour.
